

## Install

Possible locations to install the PFV device

### 2 Wires Easy installation

- +** Strip back the **red** plastic wire covering to expose the wire. Connect the **red** wire (power) to a constant +12 VDC or +24 VDC battery power voltage.
- Strip back the **black** plastic wire covering to expose the wire. Connect the **black** wire (ground) to the negative ground.

- Place the PFV device in the vehicle at one of the possible locations (shown above)
- Connect power and ground wires to your vehicle's power source. The best possible connection is to the battery directly or to a fuse with constant power then device secured under the dash with the velco strip provided. The best installation position of the device is shown in figure 1A with the GPS antenna pointed skyward.

### Installation Options

- Connect directly to your vehicle's battery in the engine compartment; or
- Connect to a fuse and place the device under the dash; or
- Have a local stereo installer or mechanic install the device for you

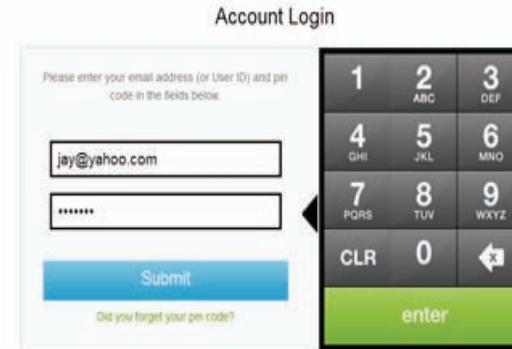

## Get Familiar

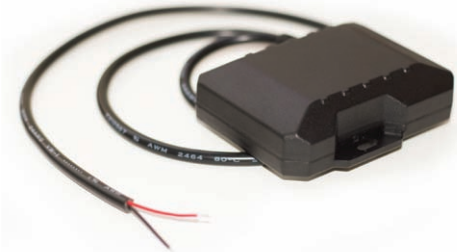

- Go to [www.pocketfinder.com/tour/firsttimeuser.aspx](http://www.pocketfinder.com/tour/firsttimeuser.aspx) for account setup instructions and first time uses
- Setup your contact book, zones, alerts and other preferences

For first time use instructions please go to: [www.pocketfinder.com/tour/firsttimeuser.aspx](http://www.pocketfinder.com/tour/firsttimeuser.aspx). If you have any questions please email: [support@pocketfinder.com](mailto:support@pocketfinder.com).

## Important Information

### RETURN POLICY

In the event that you are not completely satisfied with your PocketFinder device, you may return the device to us within 30 (thirty) days from the date of record of your purchase or 14 (fourteen) days from activation for a full refund, subject to the terms and conditions below. You must return the device in its original packaging and with all materials and components included with it, and if you have activated your account and service, you must deactivate your service on the PocketFinder website. You will be required to include an original receipt as proof of your purchase. For items returned within the return period, LBT will refund the purchase price less one month of service, if activated, and LBT will refund any prepaid charges for services. For complete warranty and deactivation information please visit <http://pocketfinder.com/general/terms.aspx>

PLEASE NOTE: You are required to deactivate your monthly service AND return your device. Returning your device does not automatically deactivate your monthly service.
